Part 2 - 28 Vegetable Liquid-Capsules

DIETARY SUPPLEMENT

Vital DETOX

RELIEVES OCCASIONAL GAS & BLOATING

Vital DETOX is a 14-day, 2-part advanced support system designed to stimulate liver detoxification and rebalance the bacteria and yeast in the digestive tract. By supporting healthy bacteria levels, especially in the upper GI tract, Vital DETOX can help address occasional gas, bloating, abdominal discomfort and other digestive issues resulting from an imbalance of bacteria and yeast.*

Vital DETOX Part 1 contains herbs, nutraceuticals and other natural ingredients to simultaneously support, protect, stimulate and assist the body's natural detoxification process, as well as help protect the cells of the liver.*

Vital DETOX Part 2 is delivered in a unique liquid vegetable capsule and features concentrated essential oils from oregano, thyme, clove, black seed and cinnamon leaf. Brenda Watson formulated Vital DETOX part 2 to target unwanted bacteria and yeast that have overgrown in the upper small intestine.*

Vital Detox - Part 1

Directions: Take one (1) Capsule in the morning on an empty stomach. Repeat in the evening. Take with Vital Detox Part 2. Wait 20 minutes before eating.
