Rejuvenate! Plus is a complete high-RNA, high-protein, sweet green superfood providing key nutrients. These include high-quality protein, essential fats, vitamins, minerals, vegetable sprouts/concentrates, enzymes, and high-potency nucleic acids (RNA/DNA).

Dietary nucleic acids are critical in many bodily processes, especially those relating to energy production and communication within cells. In the cell nucleus RNA carries out instructions encoded in DNA that are essential for cell vitality. High RNA **Rejuvenate! Plus** includes chlorella, chlorella growth factor, spirulina, nutritional yeast, and RNA extracts of nutritional yeast. Contains about 400 mg of RNA.
