Supplement Facts

Serving Size 1 VegCap

	Amount Per Serving	% Daily Value
Vitamin C (as Ascorbic Acid)	500 mg	556%
Vitamin C Support Base (Rose Hips, Acerola Cherry)	100 mg	*

*Daily Value not established.

Other Ingredients: Vegetable Cellulose Capsule, Cellulose, Magnesium Stearate, Stearic Acid and Silica.

Discussion: Vitamin C provides antioxidant activity and is intended to help support normal, healthy collagen synthesis, capillary and blood vessel integrity, cartilage and bone development, immune function and nerve impulse transmission. This two-stage, timed-release formula is designed to release half of the Vitamin C in this product rapidly and the other half gradually over a period of up to 12 hours** which may help extend the availability of the Vitamin C to the body over a longer period of time.

**Based on in-vitro dissolution tests designed to simulate the digestive process. Individual results may vary.
