ActiSorb® Base (Bioperine® [Black Pepper Extract], Cayenne, Ginger Extract, Rosemary Extract, Turmeric Extract)	10 mg	*

†Percent Daily Value based on a 2,000 calorie diet.

*Daily Value not established.

Other Ingredients: Cellulose, Magnesium Stearate, Croscarmellose Sodium and Silica. Suitable for Vegetarians/Vegans.

Discussion: KAL® Magnesium Taurate+ combines the mineral Magnesium with a free-form amino acid, Taurine. Magnesium Taurate is intended to provide nutritive support for normal, healthy nerve and muscle function, and regulates the healthy flow of ions across cellular membranes to help provide membrane stability and protect against oxidative stress in the heart, blood vessels and tissues. Pyridoxal-5-Phosphate, the coenzyme form of Vitamin B-6, provides bioavailable nutritive support for red blood cell synthesis and nerve tissue function. Studies have suggested a synergistic relationship between Magnesium and Vitamin B-6.

Gluten Free, Soy Free, Dairy Free, Vegan, Non-GMO
