

Clark All-in-One provides:
Support for physical and mental well-being
A healthy energy boost
Essential nutrient support
Simple once-a-day dosing

What you get:
ALL Vitamins, minerals, trace elements and plant extracts in optimal dosage
High-quality amino acids for organic protein control
A wide-range of plant-based antioxidants
Natural immune support
Optimal nutrient distribution thanks to our available formulation

Carefully controlled raw materials
No sugar, gluten, artificial flavoring or coloring, or preservatives

Suggested Use: Adults:
One scoop daily (approx 20 g).
Scoop is inside.

For best results, blend thoroughly with a shaker so the powder is evenly distributed.

For a sweet treat:
Add it to your smoothie or fruit juice.

For the coffee lover:
Mix it in with your iced coffee or latte.

For the health conscious:
Add to any type of milk, whey, or yogurt.

For the purist:
Use just fresh water without additional taste influences.

Cautions: Dietary supplements should not replace a balanced diet. Do not use past expiration date printed on label. Do not exceed recommended daily intake. Store at room temperature. Keep away from children.
