*Daily Value not established.

Other Ingredients: Maltodextrin (from Non-GMO Corn), Vegetable Cellulose Capsule, Cellulose, Whole Rice Concentrate, Organic Rice Extract Blend and Silica.

Discussion: Rhodiola is a perennial plant native to cold regions such as Tibet and Siberia. Schizandra is an aromatic woody vine native to northern China and Russia. Rhodiola and schizandra are known as adaptogens, a unique class of herbs that support the body's ability to deal with physical and mental stress. Rhodiola and schizandra may provide stress support as well as support for healthy stamina and energy production.
