ABOUT THE FOUNDER

*Paul
Stamets*

believes in
the power

of Mycelium, the network of thread-like cells that produces mushrooms. Paul wants everyone to share in the benefits from the Host Defense® line of products. Mentored by the greatest mycologists of our time, he integrates and expands upon the knowledge of our ancestors.

HOST DEFENSE® CHAGA

Embraced by Eurasians for centuries and found throughout boreal forests, Chaga grows primarily on birch trees. Studied and treasured worldwide for its health-enhancing and anti-oxidant properties* Chaga is a unique species, and the focus of recent and ongoing scientific research.
