HOST DEFENSE® CORDYCEPS

Himalayan mountain peoples have long used Cordyceps during strenuous, high altitude activities. Recently, professional athletes and fitness enthusiasts have discovered that Cordyceps may support increased oxygen uptake and higher endurance levels. People have also found that Cordyceps supports healthy sexual functioning.*

ABOUT THE FOUNDER

Paul Stamets

believes in the power of Mycelium, the network

of thread-like cells that produces mushrooms. Paul wants everyone to share in the benefits from the Host Defense® line of products. Mentored by the greatest mycologists of our time, he integrates and expands upon the knowledge of our ancestors.

Host Defense® Cordyceps uses activated, freeze-dried, Certified Organic mushroom mycelium, with a full spectrum of constituents: polysaccharides (beta glucans, arabinoxylane, glucose, xylose, galactose and cordycepic acid), glycoproteins, ergosterols, triterpenoids and other myco-nutrients, which are essential for *Supporting Natural Immunity.**
