Recommended Use: Take 1 capsule daily with a meal.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

7-Keto is a safe, natural metabolite of DHEA that does not convert into the sex steroids testosterone or estrogen. 7-Keto may increase the body's resting metabolic rate which makes it easier to maintain a desired weight. 7-Keto also boosts the production of cytokines, which contribute to support immune function.*

Caution: Those with hyperthyroidism should consult their health care professional prior to using 7-Keto capsules.

Do not use if inner seal is missing or damaged.
