ABOUT THE FOUNDER

*Paul
Stamets*

believes in the
power of Mycelium,

the network of thread-like cells that produces mushrooms. Mentored by the greatest mycologists of our time, he integrates and expands upon the knowledge of our ancestors.

Host Defense® Maitake uses activated, freeze-dried, Certified Organic mycelium and fruitbodies, with a full spectrum of constituents: polysaccharides (beta glucans, arabinoxylane, glucose, xylose, galactose and mannose), glycoproteins, ergosterols, triterpenoids and other myco-nutrients, which are essential for *Supporting Natural Immunity.**
