Supplement Facts

Serving Size 1 VegCap

Amount Per Serving	% Daily Value
Red Marine Algae (<i>Rhodymenia palmata</i>) (seaweed)	375 mg *

*Daily Value not established.

Other Ingredients: Vegetable Cellulose Capsule, Cellulose, Organic Rice Extract Blend and Silica.

Discussion: Red marine algae, also known as dulse, is a type of seaweed that has been used as a food staple for thousands of years. Often referred to as a sea vegetable, research suggests that the sulfated polysaccharides found in red marine algae may provide nutritive support for immune health.
