-------------------------------	-------

Pau D'Arco (<i>Tabebuia spp.</i>) (inner bark)	550 mg
--	--------

*Daily Value not established.

Other Ingredients: Vegetable Cellulose Capsule, Coconut Oil, Dextrin (from Non-GMO Tapioca) and Organic Agave Inulin.

Discussion: Pau d'arco, also known as lapacho, is a flowering tree native to Brazil and other South American countries. It has been used by indigenous tribes dating back over 1,500 years and is highly valued for its overall health benefits. Pau d'arco may provide antioxidant support and has been used traditionally for normal, healthy immune system function.
