

Certified Organic Beetroot *Beta vulgaris* L.

Beetroot, with its crimson red hue, has been used since ancient times as a traditional tonic to promote healthy living. Modern research, through chemistry and nutritional analysis, has found great relevance in many of the ancient claims.

Beetroot provides trace amounts of naturally occurring Potassium, Calcium, Iodine, and Copper.

Recent research suggests that Beetroot may increase levels of Nitric Oxide.

Contains no added sugar, artificial color or preservatives. Due to the pure, natural ingredients in this product, taste, color and consistency may vary.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
