DESCRIPTION

With a history, originating in Europe and Asia, going back to the 1st century, Chamomile is widely used all over the world. It is typically enjoyed as a relaxing and soothing tea or a rich aromatic essential oil for the body and mind that is believed to support digestion and regulate healthy sleep. Our concentrated extract powder maximizes the potential of these and many other benefits.**

Our water soluble herbal extracts are best mixed in juice or a smoothie, although mixing in water is perfectly fine if you can tolerate the taste.
