

WEIGHT MANAGEMENT PROBIOTIC with Smart Spore Technology™ Survives 100x Better than Leading Brands!

This revolutionary formula combines key weight management nutrients, including CLA and Green Tea, with DNA-verified spore probiotic strain HU58™, recently studied for the ability to support a healthy metabolism and control appetite by dramatically increasing short-chain fatty acid production in the gut.†

Suggested Use: Take four (4) capsules twice daily for the first 7-10 days. Thereafter, take two (2) capsules twice daily or as directed by your physician. For best results, take 30 minutes before a meal. **No refrigeration needed.**

Contains NO: GMO, dairy, wheat, gluten, salt, sugar, soy, artificial colors or flavors, binders, or fillers.
