DESCRIPTION

Eucommia is one of the "50 Fundamental Herbs" of Traditional Chinese medicine. It is believed to support healthy blood pressure levels and recovery times from injury and fatigue, due to its link to added collagen development. Traditionally, it has been used for relief of minor back pain.^{††}

Our water soluble herbal extracts are best mixed in juice or a smoothie, although mixing in water is perfectly fine if you can tolerate the taste.

Cool dry place, out of direct sunlight.
