Supplement Facts

Serving Size 1 VegCap

	Amount Per Serving	% Daily Value
Mullein (<i>Verbascum thapsus</i>) (leaf)	330 mg	*

*Daily Value not established.

Other Ingredients: Vegetable Cellulose Capsule.

Discussion: Mullein is a member of the figwort family with hairy leaves and tall, yellow spikes of flowers. It originates in Europe, where it has been used since ancient times. Mullein leaves contain large amounts of a soluble fiber known as mucilage, a thick, gelatinous substance. It is believed that the mucilage contributes to mullein's soothing effects. Mullein leaves may provide nutritive support for healthy respiratory and bronchial function.
