Detox Tonic
with Honey & Lemon**

Dynamic Health® Organic Apple Cider Vinegar Detox Tonic is a delicious proprietary detox formula with Honey, Ginger, Turmeric and Lemon. This formula contains the Mother of vinegar that is formed naturally in unpasteurized vinegar by the acetobacter.

Ginger contains the antioxidants gingerols, shogaols and zingerones. Turmeric is a natural source of curcumin (diferuloylmethane). Honey is nature's sweetener made by industrious bees. Recent scientific studies suggest that there are benefits of honey that go beyond its great taste.

Natural ingredients in this product can vary the color, taste and consistency from batch to batch. This does not affect potency or quality.
