

Omega 1200EC™ is enteric coated to help prevent early digestion for precisely timed absorption in the small intestine, preventing fish burps†. Omega 1200EC contains vitamin E to help maintain EPA and DHA potency†. Supportive but not conclusive evidence shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.*

CAUTION: If you are taking anticoagulants, blood thinners, or suffer from a blood clotting or hemorrhagic disease, consult a physician before using Omega 1200EC.

WARNING: Not intended for anyone under the age of 18. Do not use if you are pregnant or nursing. Consult your physician if you are using and prescription medications or being treated for a pre-existing medical condition.

Keep out of reach of children. Keep in a cool dry place. Do not use if seal is broken.

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
