Manufactured exclusively by Enzymatic Therapy, Inc., Green Bay, WI 54311 USA

Warning: Consult a healthcare practitioner if a sudden change in bowel habits occurs and persists for ten days. Rectal bleeding or failure to have a bowel movement after use of a laxative may indicate a serious condition; discontinue use and consult a healthcare practitioner. Do not use if pregnant or nursing. Unless directed by a healthcare practitioner, do not use laxative products when abdominal pain, nausea, or vomiting is present, or if you have kidney disease. Do not take more than five tablets in a 24-hour period or use the maximum dosage for more than ten days. If taking prescription drugs, have gallstones or bile duct obstruction, consult your healthcare practitioner prior to using Detox Activation.

Recommendations: Day 1-8: Take 5 tablets with 8 oz water in the evening. Day 9-10: Take 3 tablets with 8 oz water in the evening. Reduce dosage if you experience abdominal discomfort or diarrhea. If discomfort persists, discontinue use.

Detox Activation is a Vegetarian Formula.

ETI is an FDA-registered Drug Establishment.

This kit contains no sugar, yeast, wheat, artificial coloring, artificial flavoring, or preservatives. These products contain natural ingredients; color variations are normal.
