

Alpha-ketoglutaric acid (AKG) is a ketone derivative of glutamic acid and is found naturally in the body. AKG plays a key role in the Krebs cycle, acts as a nitrogen transporter, and is utilized by cells during growth and healing. As a supplement, AKG may support athletic performance and may help support healthy aging.*

Suggested Use: Take 2 capsules per day with or without food. Do not exceed 4 capsules per day.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.
