

Product Info: Chromium is an essential mineral that supports a wide variety of bodily functions and is found in trace amounts in some plant foods such as grains. Chromium may help support insulin levels in the body, and is often used as a supplement for this purpose.*

Suggested Use: As a dietary supplement for blood glucose or insulin support, take 2 capsules per day with a meal.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.
