

Product Info: Dihydromyricetin is a natural extract from the Ampelopsis grossedentata plant. When combined with electrolytes it may help support liver health and promote hydration.*

Suggested Use: Take 2 tablets (one serving) for every 2-3 alcoholic drinks consumed, before going to bed and ideally with a full glass of water. Do not exceed 8 tablets in one day.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.
