

Product Information: Resveratrol is a polyphenol compound which is found in high levels in grape and berry skins and is produced by plants as a defense mechanism when they are under attack by pathogens such as bacteria and fungi. In humans, Resveratrol is believed to function as an antioxidant and is commonly supplemented for its ability to support cardiovascular health as well as healthy aging.*

Suggested Use: Take 2 capsules per day with or without food.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.
