

Directions: Take two capsules once per day or as directed by your healthcare practitioner.

HM Protect™ is an exceptional formulation of antioxidants, minerals and nutrients designed to support a healthy response to environmental heavy metal toxicity.* Key ingredients have been included for their role in supporting the metabolism and detoxification of heavy metals.*

Cilantro and chlorella support the body's normal processes for responding to environmental heavy metal exposure.* Zinc aids in supporting kidney function by increasing the production of cysteine-rich metallothionein proteins.* N-Acetyl L-Cysteine (NAC) serves as a precursor for the synthesis of glutathione which aids in hepatic function and detoxification pathways.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Does Not Contain: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.

Caution: Keep out of reach of children.

Storage: Keep tightly closed in a cool, dry place.

This Formula Meets or Exceeds cGMP Quality Standards.
