Discussion: Food Carotene™ provides plant sourced Beta Carotene. One serving delivers 10,000 IU of Vitamin A as Beta Carotene, Alpha Carotene and other carotenoids (Cryptoxanthin, Zeaxanthin and Lutein). These work together to support normal, healthy skin and eyes, antioxidant activity and immune system function. The Vitamin A in these capsules is in the dry (non-oily) powder form intended for individuals who may have difficulty digesting fats or oils.
