### ABOUT US

At Samsara Herbs, we believe that ALL positive change in the world must first begin with positive change from within. We invite you to tap into your own infinite power through the use of our potent herbal extracts!

We seek out only quality herbs from our trusted sources from around the world for use in our herbal extracts.

Samsara Herbs, dedicated to empowering your life force!

### DESCRIPTION

Our Herba-V Immune formula is comprised of 18 herbal extracts. These herbs have historically been used in Traditional Chinese Medicine for boosting and balancing the immune response, particularly in times of immune distress. Many of the herbs are also used to support healthy respiratory function.<sup>††</sup>

Our water soluble herbal extracts are best mixed in juice or a smoothie, although mixing in water is perfectly fine if you can tolerate the taste. This formula contains Monk Fruit, a natural sugar free sweetener to assist with the taste.

### STORAGE

Cool dry place, out of direct sunlight.

### Supplement Facts

Serving Size: 1 Scoop (2500 mg)  
Servings Per Container: 181

#### Amount Per Serving

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |         |
