

Calcium and Magnesium for Bone Health & More†

Minerals play many important roles in supporting overall health†. Our **Cal-Mag 1:1 with Vitamin D3** vegetarian capsules help support bone density, muscle and nerve health†. The average diet lacks proper magnesium which supports normal nerve and muscle function†.

This 1:1 ratio of minerals contains citrate forms of both calcium and magnesium which may have better absorption than other forms†. Vitamin D3 has been added to enhance the body's calcium absorption and utilization, and our product is formulated in a green food base†. Supplementing with **Cal-Mag 1:1** helps support the recommended daily intake of these essential minerals.

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

*SGS verified the process for manufacturing this product with no GMO ingredients. www.sgs.com/no-gmo
