

SUGGESTED USE: Take one softgel with food up to four times daily.

Plant Source of Omega-3 Fatty Acids for Optimal Health!

Evening Primrose Oil (EPO) provides a natural source of important essential fatty acids. Essential fat supplements can help offset the high consumption of saturated and trans fatty acids crowding our food supply.[†] The nutrients found in EPO play a major role in heart, skin, joint, nerve and overall health.[†] Our 1,300 mg EPO product provides a higher dosage formula for those looking to decrease the number of softgels taken per day of a lower dosage EPO product for therapeutic use.

Typical Fatty Acid composition: (Each serving may typically provide the following naturally occurring nutrients^{**})

Gamma-Linolenic Acid (GLA)	130 mg
Linoleic Acid	884 mg
Oleic Acid	65 mg

^{**} Typical analysis due to seasonal variations.

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

Store in a cool dry place.

We Guarantee Our Supplements for Potency and Purity
