We believe that **Amazing Nutrition®** is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Dehydroepiandrosterone (DHEA) is an naturally occurring hormone in the body. DHEA may support healthy immune system, positive mood, healthy aging, hormonal level balance and bone health.* DHEA may also support healthy weight loss by boosting metabolism; helping to build muscle mass and improving strength.*

SUGGESTED USE: As a dietary supplement, adults take one (1) tablet daily, preferably with a meal or as directed by a health care professional. Do not exceed recommended dose.
