PERFORMANCE***DUAL-DOSE L-CITRULLINE**

Each scoop features 8g of L-citrulline malate and PepForm® L-citrulline. L-citrulline is an amino acid that is metabolized in the body into arginine and nitric oxide to support vasodilation and enhance muscle pumps.*

BETA-ALANINE

Each scoop of Shatter™ SX-7® Revolution delivers the 3.2g scientific dose of beta-alanine that has been shown to enhance the muscle- and strength-building process.*

BETAINE

Each scoop delivers a precise 2.5g dose of betaine, shown to build 3.75 lbs. of lean muscle in 6 weeks compared to 0.66 lbs. by the placebo group. That's over 5.5 times the muscle gained (vs. placebo). Betaine has also been shown in a separate study to enhance muscle endurance.*

TEACRINE® with ACTIVSPHERE® TECHNOLOGY

Featuring ActivSphere® technology, the TeaCrine® is micro-encapsulated in a lipid casing for sustained release and combines with other powerful ingredients in the Shatter™ SX-7® Revolution formula to deliver a unique sensory experience.

DUAL-PHASE CAFFEINE

A revolutionary combination of immediate- and sustained-release caffeine to enhance focus, and boost energy and intensity.*

TAURINE

A potent 1g dose per serving, shown to improve performance in endurance athletes.*

LION'S MANE

A unique specialty mushroom that features a variety of naturally occurring compounds, including hericenones, which contribute to the unique sensory experience.

VasoDRIVE™
VasoDrive-AP® is the registered trademark of Nova Nutr LLC.

TeaCrine® is a registered trademark and protected by Patents Pending. Social No. 61,903,362 under exclusive global distribution by Compound Solutions Inc.

PepForm®
PepForm® is a trademark of Glanbia plc.

**TECHNOLOGY MEETS EFFICACY
WITHOUT COMPROMISE**

Introducing Shatter™ SX-7® Revolution, a scientifically advanced formula that features cutting-edge dual-phase, multi-particulate technology for incredible results. This premium formula provides ingredients in a never-before-seen combination to deliver unparalleled workouts and help you shatter your personal records!

SCIENTIFICALLY ADVANCED PUMP & MUSCLEBUILDING POWER

Shatter™ SX-7® Revolution delivers a powerful dual-dose combination of L-citrulline, engineered to increase nitric oxide levels. This promotes vasodilation for enhanced nutrient delivery and intense muscle pumps. What's more, this formula also delivers a scientifically studied dose of betaine for superior gains in lean muscle, strength and power!*

+

ENHANCED MUSCLE & STRENGTH

To enhance the muscle- and strength-building process, MuscleTech® researchers included a powerful research-inspired dose of beta-alanine. Plus, the precise dose of taurine found in one scoop has been shown in scientific research to boost performance in endurance athletes.*

+

EXPLOSIVE ENERGY & POWERFUL NEUROSENSORY

Shatter™ SX-7® Revolution delivers a dual-phase combination of immediate- and sustained-release caffeine to enhance focus and intensity. What's more, it features TeaCrine® with ActivSphere® technology, lion's mane, guayusa and yohimbe for a unique sensory experience.*

† Daily Value not established.

Other Ingredients: Silicon Dioxide, Natural and Artificial Flavors, Potassium Citrate, Sucralose, Acesulfame-Potassium, Citric Acid, FD&C Red No. 40. Contains milk and coconut ingredients. Processed in a facility that also processes egg, peanut, shellfish, soy and wheat ingredients.

Directions: Please read the entire directions before consuming and follow the tolerance assessment protocol. Assess your tolerance first by mixing 1/2 scoop with 7 to 8 oz. of cold water and consuming it about 30 minutes before your daily workout. Once tolerance has been assessed, increase the dosage to 1 serving (1 scoop) mixed with 14 oz. of water before working out. Do not exceed 1 scoop in a 24-hour period. Do not take within 5 hours of bedtime. Drink 8 to 10 glasses of water daily for general good health.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Consult a medical doctor if you have a medical condition or before starting any diet or exercise program. One serving of this product contains up to as much caffeine as 4 cups of coffee. Caffeine-sensitive individuals may experience the following symptoms including but not limited to restlessness, nervousness, tremors, headache, anxiety, palpitations, increased heart rate or difficulty sleeping. Do not combine with other sources of caffeine or stimulants. Some individuals may experience a harmless tingling sensation from the concentrated performance dose of beta-alanine. **KEEP OUT OF REACH OF CHILDREN.**
