

We believe that **Amazing Nutrition®** is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

GABA (gamma-aminobutyric acid) is an amino acid that occurs naturally in human brain and eyes where it functions as an inhibitory neurotransmitter. Neurotransmitters regulate brain and nerve cell activity by inhibiting the number of neurons firing in the brain.* GABA is an all natural sleep aid that promotes calming and relaxing effect.* It may also help to improve mood, ease nervous tension, reduce stress or anxiety, promote lean muscle growth, and relieve dull pain.*
