

health™

**Omega-Rich
Focus
Support**

The whole omega fatty acids in Wholemega Focus support healthy brain function, helping restore a natural balance of Omega-3 to Omega-6.*

**Herbs
for
Alertness**

Lemon Balm, Sage, and Holy Basil help the body maintain calm and a positive mood by supporting alertness, contentedness, and overall well-being*

**Whole
Food**

Wholemega Focus delivers a clinical dose of Wild Alaskan Salmon oil: a whole-food alternative to highly processed and "purified" conventional fish oils.

**Extra-
Virgin
Process**

Pressed in a proprietary process similar to fine olive oil, Wholemega Focus preserves natural antioxidants and Vitamin D3 that can be destroyed in other fish oils after processing.

**Three
Servings
of Salmon**

Taking Wholemega Focus every day for a week provides the same amount of whole omega fatty acids as three servings of Wild Alaskan Salmon.

**100%
Sustainably
Wild-Caught
Salmon**

NATURALLY GLUTEN FREE

NEWCHAPTER®

holistic

Nature's
**Whole Focus &
Alertness Formula**

Wholemega Focus combines clinically researched, naturally pure whole fish oil with tonic herbs that target brain, mood, and stress support.* The result is a whole-food formula designed to promote focus, a positive mood, and address daily stress.*

A clear alternative to fractionated and "purified" fish oils, Wholemega Focus delivers naturally pure, Omega-Rich Wild Alaskan Salmon oil. Combined with supercritical brain-supporting herbs, these natural ingredients work together to promote healthy brain function, alertness, and overall well-being.*
