DIRECTIONS: Pour one level scoop of powder into a tall, empty glass. Add 3 oz of chilled water and lightly stir. Let stand one minute. Add 3 more oz of chilled water and lightly stir. Let stand one minute and drink. Take one to two times daily, or as directed by your healthcare practitioner.

Children, pregnant or lactating women, and individuals taking any medication should consult their healthcare practitioner prior to use.

AngiNOX™ is XYMOGEN's exciting formula based on the latest Nobel Prize-winning research on nitric oxide, a naturally occurring compound in the body. Nitric oxide is an important messenger that signals a variety of responses at the cellular level which are beneficial to circulatory, immune, and nervous system functions. AngiNOX is a refreshing, effervescent powder that offers therapeutic levels of L-arginine and L-citrulline, two amino acids the body uses to make nitric oxide.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

CAUTIONS: Do NOT use if you have low blood pressure.

STORAGE: Keep closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, yeast, soy protein, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or preservatives.
