

We believe that Amazing Nutrition® is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

L-lysine is an essential amino acid that the body uses to build proteins. As an amino acid, L-lysine helps your body to produce proteins, enzymes, collagen and antibodies.\* L-lysine supports healthy immune system, healthy connective tissues, healthy organs and respiratory health.\* L-lysine may support weight loss as it helps to convert fatty acids into energy and promotes lean muscle mass.\* It may also support bone health by promoting the intestinal absorption of calcium.\*
