

Discover that Amazing Nutrition™ is the key to healthy living. We are passionate about bringing you the finest selection of products which are perfectly complemented in healthy diet and active lifestyle.

Melatonin is a hormone that naturally occurs in the body. It's made by the pineal gland. Melatonin circulates through a daily cycle so that there is a higher concentration of it at night.* At night, higher levels of Melatonin is held by the body to induce and maintain sleep.* Therefore, Melatonin supplements taken at bedtime supports the body's natural process for facilitating sleep.* It may also help falling asleep faster and staying asleep all night.*
