

We believe that Amazing Nutrition™ is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Nattokinase is an enzyme isolated from a popular Japanese food called natto. Nattokinase has been used as a folk-remedy to support cardiovascular health and the circulatory system.* Amazing Nutrition's Nattokinase is Vitamin K-free. Each serving provides 2000 FU's (Fibrinolytic Units) of enzyme activity which supports already existing healthy blood clotting factors within normal range, therefore helping to avoid conditions caused by blood clots.*
