THE REWARDS OF FRESH GARLIC

- Delivers 5,000 mcg of alliin, fresh garlic's most beneficial compound.
- Enteric-coated tablets reach the small intestine, so you get garlic where you need it, and avoid garlic breath.
- Supports heart health.*
- Contains 320 mg garlic, with just 1 tablet daily!
- Alliin is the key compound found in non-aged garlic and supports cardiovascular health.*

THE DOWNSIDES OF AGED GARLIC:

- Yields NO beneficial alliin.
- Dissolves in the stomach, destroying any chance of alliin reaching the bloodstream.
- Is artificially aged in an accelerated process, destroying garlic's most beneficial compound.

Keep out of reach of children. This product has a tamper-evident foil pouch. Do not use if foil or plastic is punctured. Store at room temperature. Avoid excessive heat and direct sunlight.

GLUTEN FREE. No yeast-derived ingredients, wheat, corn, soy, or dairy.
