

We believe that Amazing Nutrition® is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Amazing Formulas™ Tart Cherry supplement provides 1,000 mg (1 g) of tart cherry in each capsule, derived from a premium quality 4:1 extract. Tart Cherries contain important phytonutrients called anthocyanins, which is responsible for the deep red color of the fruits. Anthocyanins are a type of antioxidant which encourages healthy blood circulation and nerve function.* Antioxidants have a wide array of health benefits, including neutralizing free radical damage, supporting mobility of joints and connective tissues and promoting healthy aging.* Tart Cherry helps to prevent inflammation, which promotes balanced uric acid levels.*
