

We believe that **Amazing Nutrition®** is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Taurine is an amino acid that supports neurological development and helps regulate the level of water and mineral salts in the blood.\* Taurine is found naturally in seafood and meat. As a key constituent of bile acids, it may help the body absorb nutrients with greater ease while moderating healthy cellular activity.\* Taurine is also known for its antioxidant properties that may help protect macular regions of the eye.\* It may also promote energy production which may help to improve athletic performance.\* Taurine supports cardiovascular health, anxiety control, stress management and helps to reduce inflammation.\*
