

New Chapter's Supercritical Herbal Extracts

"Supercritical" means Super Purity, Super Potency, Broad Spectrum, and No Chemical Solvents. A Supercritical New Chapter in Inflammation Modulation*.

New Chapter® has extensively researched the herbal pharmacopoeia and international medical databases and discovered that **Zyflamend® PM's** time-tested herbs, properly extracted and blended in the correct proportions, contain a significant number of phytonutrients that may safely and significantly promote a healthy inflammation response and gently and safely promote the experience of deep and satisfying sleep.*

Caution: *New Chapter sells Zyflamend only as a dietary supplement, not as a drug product. Zyflamend is not promoted by New Chapter as a product for the prevention, treatment, mitigation, or cure of breast cancer, prostate cancer, or any other specific disease or class of diseases. As with any dietary or herbal supplement, you should advise your health care practitioner of the use of this product. If you are nursing, pregnant, considering pregnancy, or suffering from depression, you should consult your health care practitioner prior to using this product. You may experience a feeling of deep relaxation or drowsiness after taking this product. We therefore strongly recommend that it be taken only at night and not prior to either driving or operation of any equipment or machinery.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

Our premium softgel capsules are prepared without any chemical solvents and are prion free.
