100% Satisfaction Guaranteed

Green barley plant has become one of the major nutritional tools of modern health practitioners. It is rich in enzymes, minerals, naturally chelated potassium and calcium, vitamins, carotenoids, amino acids, superoxide dismutase, plant lipids, chlorophyll and auxins. This nutrient dense, yet highly digestible "natural pharmacy," is an excellent source of various raw materials needed to maintain and strengthen nutritional health.

B.E.S.T. PROCESS has gone to great lengths to bring you this superlative green barley plant that is processed at low temperature. The enzymes are active.

Directions: Take 7 tablets daily, or as directed by your health professional.
7 tablets equal 1 serving of vegetables.
