Multi-Ginger Formula to Support Digestion & More!

Ginger has a long history of use in promoting healthy digestion, as well as aiding in nausea and morning sickness.[†] Ginger has also been shown to support healthy joints.[†] Our 100% lactovegetarian **Ultimate Ginger Complex**[®] contains both ginger extract and whole ginger to provide a full-spectrum botanical with all the traditional benefits of ginger. Our formula also contains a special enzyme called cellulase for easier digestion, which allows for optimal absorption of naturally occurring nutrients in ginger. Standardized rosemary extract is added to provide additional protection.[†]

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

Store in a cool, dry place.
