

What am I?

I'm an apple cider vinegar supplement made from organic apples! I also include antioxidant-packed milk thistle seed extract and lemon to support healthy liver function.[†] Unlike liquid ACV, I'm kind to your teeth, and I'm infused with organic green apple essence for a pleasant aroma and ap-pleasing breath. 😊

How can I help?

For many centuries, apple cider vinegar has been used for many traditional applications. ACV is believed to support healthy blood sugar, cholesterol, and body weight levels.[†]
