## Organixx Recipes

### Guilt-Free Keto Brownies

½ cup butter or coconut oil, softened
¾ cup Lakanto or equivalent sweetener
2 eggs
2 tsp vanilla extract
¾ cup almond flour
¼ cup unsweetened cocoa powder
1 tsp baking powder
⅛ tsp Himalayan or sea salt
¼ cup low-carb chocolate chips (e.g. Lily's brand)
2 Scoops Organixx Clean Source Collagens
Icing (optional):
2 Tbsp melted coconut butter

Preheat oven to 350° F and line 8"x8" pan with parchment paper; set aside. Blend Lakanto in blender to turn into a fine powder. In a large bowl, cream butter & Lakanto. Mix in the eggs and vanilla extract. Sift almond flour and add along with cocoa powder, baking powder, collagen, and salt. Mix. Stir in chocolate chips and scoop batter (will be thick) into your lined 8×8 baking dish. Bake 25-30 min until toothpick comes out mostly clean. Cool 30 min+ before cutting into squares. Drizzle with melted coconut butter (optional).

**Suggested Use:** Adults mix approx. 1 scoop in 8-12 ounces of water or juice.
