

Fenugreek RED is a unique 2-in-1 formula for men of all ages that combines the unique phytochemistry found in Fenugreek with the power of LJ100® LongJack and L-Citrulline to enhance performance.\*

**Boost Testosterone:** As men age, testosterone levels start to decline. This male sex hormone is known to promote vitality and is involved in mood, sex drive, muscle mass and muscle strength.\* This formula features LJ100® Longjack, a patented extract that preliminary research suggests helps maintain testosterone levels already within a normal range.\*

**Enhance Blood Flow:** Nitric Oxide is a naturally-occurring compound in the body that plays a key role in cardiovascular health.\* Nitric Oxide is produced in the inner lining of blood vessels and helps to relax and dilate vessels, allowing more blood flow throughout the body.\* This unique formula features L-Citrulline, an amino acid that is readily converted to L-Arginine, which can then be converted into Nitric Oxide within the body.\*

Fenugreek RED also features Asian Ginseng, traditionally used as a revitalizing tonic, and Ginkgo extract, traditionally used to help support blood circulation.\* This product can be taken daily for ongoing maintenance of men's vitality and well-being.\*

**What makes us different:**

**Liquid Soft-Gels** - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

\*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Quality Assurance** - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

**Patented BioPerine®** - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.\*

**Usage Warnings:** Do not use if safety seal is broken. This product contains ingredients that may affect blood pressure, heart conditions and/or blood sugar. Check with your doctor before using this product and engaging in activity, if you are using medication, including anti-coagulants (blood thinners), or have any medical conditions. Individuals with low blood pressure should not take this product. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
