

Warnings: Not for use by individuals under the age of 18 years. Do not use this product if you are pregnant, nursing, prone to dehydration, or exposed to excessive heat. If you have any medical conditions, or have a family history of medical conditions, or taking prescription or OTC medications, consult with your physician before use. Seek advice from a medical doctor if you are unaware of your current health status. Do not exceed recommended serving. Discontinue use and call a physician or qualified healthcare professional immediately if you experience chest pain, severe headache, shortness of breath, dizziness, irregular heartbeat, or similar symptoms. Use only as directed. Keep out of reach of children.

Storage: Store in a cool dry place away from light.

† Percent daily values not established.  
†† Percent daily values are based on a 2,000 calorie diet. Your daily values may be higher or lower depending on your calorie needs.

Suggested Use: As a dietary supplement, take 1-2 servings twice daily spaced 6-8hrs apart on an empty stomach 30-minutes before physical activity and/or meals using 4-6oz of water per serving. Depending on bodyweight, the following dosing protocol should be followed, taken twice per day: less than 55kg (121 lb), 1 serving; greater than 55kg (121 lb) but less than 80kg (176lb), 1.5 servings; greater than 80kg (176lb), 2 servings. Please note, the Beta Alanine in this product may cause a slight tingling sensation in some individuals, and is a natural characteristic to this ingredient.

Other Ingredients: Maltodextrin (M100), Calcium Phosphate, Citric Acid, Sucralose, Silicon Dioxide, Natural Flavors.
