

Some might agree that it feels as if time is speeding up. The fast pace of modern life in combination with ever-increasing social and professional competition requires that we perform our best at all times whether in the office, gym, or bedroom. To help you meet your daily demands with gusto, we developed **Level-Up Active Male**.

Level-Up Performance: Red Ginseng, Tribulus, Long Jack, and Horny Goat Weed are commonly featured in traditional formulations designed to support male performance, feelings of energy, and sexual vitality.* We've strategically combined these botanicals with L-Arginine, an amino acid precursor to Nitric Oxide—your body's primary blood flow inducing molecule.

Level-Up Vitality: Adaptogens are a special class of botanicals that help the body combat the negative effects of daily stress. Maca Root and Ashwagandha are some of Nature's most reliable traditional adaptogenic herbs that have gained wide popularity in modern formulations designed for their ability to support overall vitality.*

Level-Up Testosterone: This product delivers 10mg of Boron per daily serving. Preliminary research shows that this amount of daily Boron consumption helps to support healthy testosterone levels already within the normal range while also conferring additional benefits to male physiology.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. This product contains an ingredient that may affect blood sugar. Check with your doctor before using this product and engaging in activity, if you are using medication or have any medical conditions, including heart disease or high/low blood pressure. Do not exceed 90 days of continuous use of this product without a two (2) week break. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
