

Staying within the carbohydrate consumption boundaries of the Keto diet is challenging, and on some days, nearly impossible. Preparing your daily food plan is essential to being successful on the Keto diet; however, even the strictest dieters could use a little extra support in maximizing their Keto dieting efforts.*

NEUTRALIZE-CARBS KETO SUPPORT™ is designed to support your body while following the Keto diet in a variety of ways with targeted, clinically researched ingredients*:

- **White Kidney Bean Extract** - a plant-derived non-stimulant ingredient that neutralizes the negative effects of carbohydrates by inhibiting a portion of the body's amylase, the enzyme responsible for digesting starch. This powerful plant extract works to decrease the number of starch-carbohydrate calories digested by the body.*

- **Chromium** - helps to promote healthy metabolism of carbohydrates and fats in the body and supports healthy blood sugar levels already within the normal range.*

- **BONUS** - This formula also includes digestive enzymes Lipase and Protease to help enhance the digestion of the macronutrients that are predominant in the Keto diet.*

This product is designed to support you while following the Keto diet and is not intended to replace or alter any of the Keto diet guidelines.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication or have any medical conditions, including digestive disorders or acid reflux disease. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
