

Warnings: This product is an extremely powerful dietary supplement intended for use by healthy adults between 18-50 years of age only. Not for use by individuals under the age of 18 years. Do not use this product if you are pregnant, nursing, prone to dehydration, or exposed to excessive heat. Consult a physician before using this product if you have, or have a family history of; including, but not limited to, high or low blood pressure, stroke, cardiac arrhythmia, heart, liver, kidney, or thyroid disease, recurrent headaches, anxiety, nervousness, depression, seizure disorder, psychiatric or epileptic disorders, diabetes, anemia, difficulty urinating, enlarged prostate or glaucoma. Seek advice from a medical doctor if you are unaware of your current health status. Do not use this product if you are taking any medications; including, but not limited to, MAO inhibitors, SSR inhibitors, antidepressants, anti-inflammatory drugs, aspirin, or products containing caffeine, synephrine, phenylephrine, ephedrine, pseudoephedrine, or any other known stimulants. Do not exceed the recommended serving. Exceeding the recommended serving may cause serious adverse health effects. Discontinue use and call a physician or qualified healthcare professional immediately if you experience chest pain, severe headache, shortness of breath, dizziness, irregular heartbeat, or other similar symptoms. Use no longer than 8-weeks continuously followed by a 4-week break. Use only as directed. Keep out of reach of children.

Phenylketonurics: Contains phenylalanine.

Storage: Store in a cool dry place away from light.
